PROPERTY MAINTENANCE FAQ

The Village of Matteson requires that all property owners maintain their property in a neat and attractive manner to ensure the quality of property throughout the community. Matteson Building Services regularly inspects the exterior of single family and multifamily dwellings and property for compliance with local codes.

Frequently asked questions:

Q: What is the maximum allowable height for grass?

A: 6 inches.

Q: What is the earliest I can put garbage out for pick-up?

A: 8 p.m. of the night prior to your scheduled pick-up day.

Q: If garbage is placed at the curb who should I contact?

A: Community Service Officers from the Matteson Police Department should be notified at 748-1564.

Q: Who can I call if a neighbor is collecting garbage on his property?

A: The Property Maintenance/Zoning Compliance Officer at 481-8313.

Q: Who should I notify if I see an alteration or addition being built on a weekend without evidence of a building permit?

A: The Building Services Staff is in the office 8:00 a.m. to 4:30 p.m. Monday through Friday. You can leave a voice mail message at any time or contact Staff during normal business hours.

Q: My neighbors tree limbs overhang my property line. Who is responsible for the branches?

A: This is a legal question as defined under civil statutes. The Village cannot advise or require any action be taken unless the conditions represent a public safety hazard.

Q: Who do I contact if I am interested in a home that I noticed is vacant?

A: Your first call should be to a real estate agent. If conditions of the property pose a threat, contact the Matteson Police non-emergency number 748-1564.

Q: What does the Village require for me to sell or rent my home?

A: An existing structure inspection is required in either case. This inspection assures that minimum health and safety standards are met.

Q: How many vehicles can I keep on my property?

A: One trailer or recreational vehicle is allowed provided it is located behind the front building line and kept on a properly installed concrete or asphalt base. Motor vehicles cannot be stored on property, cannot be in disrepair, and
