### **Engineering Review Fees**

**Final Engineering Review:** At the time of application for approval of the final engineering site improvement plans, the developer shall pay a fee sufficient to compensate the Village Engineer and/or his/her designee for examination of the final engineering plans and all supporting documents in the amount of 2% of the design engineer's estimate of cost of the entire project.

**Inspection of Project Improvements:** All improvements approved by the Village Engineer and/or his/her designee shall be inspected during the course of construction by the Village Engineer and/or his/her designee. As compensation for such inspection, the developer shall pay an inspection fee in the amount of 3% of the design engineer's estimate of the cost of the entire project. Said inspection fee shall be in addition to the Final Engineering Review Fee.
