

MATTESON HISTORICAL SOCIETY

Celebrating their 25th anniversary in 2000, the Matteson Historical Society (MHS) continues to bring together those people interested in history and especially in the history of the Village of Matteson. The Society discovers and collects any material which may help to establish or illustrate the history of the Matteson area. It also provides for the preservation and dissemination of this information. To do so, it offers educational services and provides partial support for the operation of an historical museum by the Village of Matteson.

Officers of the Society may be contacted through the Museum office at 708-748-3033. Donations to the MHS collection may be made at the Museum, 813 School Avenue.

The Society publishes its newsletter, *The Bell*, four times a year. It offers four programs of historical nature to the public each year at its general meetings, scheduled for September, November, February, and May. Monthly board meetings are open to the public and held at the Museum.
