

MINUTES OF THE REGULAR MEETING  
OF THE PRESIDENT AND BOARD OF TRUSTEES  
HELD IN THE COUNCIL ROOM OF THE MATTESON VILLAGE HALL  
4900 VILLAGE COMMONS  
ON THIS 1ST DAY OF APRIL 2002

President Stricker called the meeting to order at 7:36 p.m.

CALL TO ORDER

Clerk Grisco called the roll and the following Trustees answered present:

ROLL CALL

Shirley Green  
Allan Johnson  
Sam Brown  
Andre' Ashmore  
Nathaniel Motton Jr.  
Allene Maxwell

Also present were: David Mekarski, Village Administrator; Joe Perozzi, Village Attorney; Hildy Kingma, Director of Community Development; Mary Britton, Director of Finance; Robert Park, Acting Police Chief; Kathy Murray, Personnel and Operations Coordinator; Cyndi Zeibert, Recording Secretary; and the Star Newspaper.

a) President Stricker presented the Minutes of the Regular Meeting of the Board of Trustees of March 18, 2002 for additions, deletions or corrections.

CONSIDERATION OF  
MINUTES OF REGULAR  
BOARD MEETING OF  
MARCH 18, 2002

The following correction was made:

- 1) Page 03-251-02, second paragraph, fourth line, should read: She has been attending **Sesquicentennial** Meetings with School District #162,  
...
- 2) Page 03-252-02, first paragraph, first line, and should read:  
Homeowners Meeting, **where** questions came up in regards to the apartment development the Board turned down.
- 3) Page 03-252-02, fifth paragraph, first line, Mr. Burchett's address should read: **6018 Old Creek Lane.**
- 4) Page 03-252-02, fifth paragraph, line fifteen and line seventeen, the President of MOF is **Mr. Veazey.**

Trustee Green moved to approve the Minutes of the Board of Trustees of March 18, 2002 as corrected. Seconded by Trustee Ashmore.

APPROVAL OF THE  
MINUTES FROM THE  
REGULAR BOARD  
MEETING OF MARCH 18,

ABSENT: (0)

TRUSTEE COMMITTEE  
REPORTS

Trustee Ashmore reminded everyone that the Housing and Human Relations Commission would meet on Wednesday, April 3, 2002 at 7:30 p.m. at the Village Hall.

Trustee Green, as well as, the other Trustees attended a FOCUS meeting, which she thought was very rewarding. It gave information on commercial, property and restaurants, and taught them a lot about people doing business in the Village. She is continuing to work with the Sesquicentennial Committee, and will report further on their meetings at the next Board meeting.

Trustee Motton continues to work with Representative Murphy on the Educational Appropriation for School District #227, District #159, and District #162. He attended the Woodgate Homeowners Association, along with Chief Park and Mia Carter, Community Relations of the Police Department. He spoke with the owner of the Townhouses, who stated he would like to work together with the Village in regards to the property maintenance and actions of the residents of his townhouses. He attended the Parks and Recreation meeting, where Mr. Vasser presented a video of "The Black Cowboy Rodeo". It is a multi-cultural rodeo, and he recommended the Board view this video. President Stricker asked Trustee Motton to get a copy of the video, and have the Board view it at their leisure. Trustee Motton added that he was taken aback because the school referendum was a split decision at the March 19<sup>th</sup> election. He feels that the schools go hand-in-hand with the community, and hopes the people will reconsider this referendum at a future election.

Trustee Maxwell attended the Woodgate Homeowners Association and their main concern was speeding along Central and Allemong Drive. She attended the Dollars for Scholars Committee Meeting, and stated they are planning a Flea Market on May 3<sup>rd</sup> and 4<sup>th</sup>, and would ask the residents for support. She attended the Parks and Recreation Meeting and viewed the Rodeo video. She, too, would like to see all Board members view the video. Trustee Maxwell expressed her pleasure of the new Banners on Cicero and Route 30, commenting on how great they look and thanked the entire staff for their effort.

Trustee Johnson agrees that the Banners look great! At the request of Trustee Brown, he attended the Plan Commission Meeting on March 21, at which they had a Public Hearing on a Special Use Permit to get the new fire station started, and to allow a 100-ft antenna be installed. They also considered the temporary outdoor food service permit for Star Bucks and considered a revised building elevation for Rose Plaza.

April 1, 2002

Trustee Brown thanked Trustee Johnson for his attendance at the Plan Commission meeting at a last minute notice. He, too, is very impressed with the Banners.

President Stricker attended the SSMMA meeting, thus was given the opportunity to network with other Businesses in and around the community. He, along with Hildy Kingma and David Mekarski will be making a business trip to Las Vegas, regarding economic progress and information on Plazas and Malls.

President Stricker and the entire Board expressed their congratulations to Robin Kelly on her win as the Democratic State Representative of the 38<sup>th</sup> District, as well as her Fair Housing Achievement Award given by the South Suburban Housing Center. They also congratulated Hildy Kingma on her Award for 'The Outstanding Achievement in Economic Development Linking Business with the Public Sector'. They are very proud of both women.

There was no public comment.

#### OPPORTUNITY FOR PUBLIC COMMENT

1) The police department is scheduled to replace four (4) marked squad cars in the 2002/03 fiscal year budget. We have recently reviewed the awards for police vehicles from the State of Illinois, the Suburban Purchasing Cooperative as well as soliciting a proposal from a local dealer Sutton Ford. The results of that review are as follows:

#### CONSIDERATION OF BIDS AND AWARDING OF CONTRACTS

#### REPLACEMENT OF POLICE DEPARTMENT VEHICLES

##### **Sutton Ford (Matteson):**

2003 Ford Crown Victoria Police Interceptor		\$ 20,520.00
---	--	--------------

##### **Options:**

Heavy Duty Rubber Floor Mats	=	Standard
Anti-lock Brakes	=	Standard
Limited Slip Differential	=	85.00
Two-tone Paint (black/white)	=	416.00
<b>Sub-total Each Vehicle:</b>		<b>\$ 21,021.00</b>

<b>Total Four Vehicles: (Sutton Ford)</b>		<b>\$84,084.00</b>
---	--	--------------------

##### **Sutton Ford (Matteson) - Suburban Purchasing Cooperative:**

2003 Ford Crown Victoria Police Interceptor		\$ 20,520.00
---	--	--------------

##### **Options:**

Heavy Duty Rubber Floor Mats	=	Standard
Anti-lock Brakes	=	Standard

April 1, 2002

Limited Slip Differential	=	85.00
Two-tone Paint (black/white)	=	416.00
Purchasing fee for each vehicle	=	<u>50.00</u>
<b>Sub-total Each Vehicle:</b>		<b>\$ 21,071.00</b>

**Total Four Vehicles: (Sutton Ford) \$84,284.00**

**Landmark Ford (Springfield, IL) - State of Ill. Joint Purchasing:**

2003 Ford Crown Victoria Police Interceptor \$ 19,883.00

**Options:**

Heavy Duty Rubber Floor Mats	=	Standard
Anti-lock Brakes	=	Standard
Limited Slip Differential	=	85.00
Two-tone Paint (black/white)	=	416.00
Delete Cruise Control	=	<u>- (150.00)</u>
<b>Sub-total Each Vehicle:</b>		<b>\$ 20,234.00</b>

**Total Four Vehicles: (Landmark Ford) \$80,936.00**

After review of the three bids, there is a 3.9% difference (\$3,148.00) between the low bid of Landmark Ford and Sutton Ford. Based on the fact that there is a cost of sending five employees down to the Springfield area to pick up the vehicles and that Sutton Ford is a local dealer, it is the recommendation that the Board approve the bid of Sutton Ford, for the purchase of four (4) Ford Crown Victoria Police Interceptors, in the amount of \$84,084.00.

Trustee Maxwell moved to approve the bid of Sutton Ford, for the purchase of four (4) Ford Crown Victoria Police Interceptors, in the amount of \$84,084.00.

Seconded by Trustee Brown.

Trustee Motton inquired as to how often squad cars are replaced. Chief Park stated they are replaced every two years or 100,000 miles.

2) At the Board's direction, proposals were requested for professional services for the recruitment of a new Police Chief. Three firms, Resource

BOARD OF TRUSTEES

April 1, 2002

04-262-02

Management Associates, the PAR Group and DMG Maximus submitted proposals to conduct professional services in the recruitment, screening, interviewing and selection of candidates for Police Chief. Based upon their past experience with the Village, their extensive recruitment in Illinois and nationwide, and the costs of services, staff recommends that the Board approve the agreement with the PAR Group.

CONSIDERATION OF AN AGREEMENT TO CONDUCT PROFESSIONAL SERVICES IN THE RECRUITMENT OF A NEW POLICE CHIEF

A staff memo and the proposals were enclosed separately. A budget amendment to accommodate the expense in this fiscal year would be necessary, and would be presented at the end of the fiscal year by the Finance Director.

Trustee Maxwell moved that the Board authorize the Village Administrator to sign an Agreement with The PAR Group for professional services for the recruitment of a new Police Chief. Seconded by Trustee Ashmore.

The Board members involved with the PAR Group for the Village Administrator search, stated they did an excellent job. They brought in the 'cream of the crop', offered a variety of information, and answered any questions the Board might have had.

Administrator Mekarski noted that it is important to provide opportunity for our employees and that Acting Chief Park is expected to be a candidate for the Police Chief position.

No old business to be discussed.

3) While preparing to send out the renewals for the 2002/03 Liquor Licenses, it was found that the "Number of Liquor Licenses to be Issued", under Section 111.07 of the Code of Ordinances does not correlate with the actual number of licenses presently open.

OLD BUSINESS

NEW BUSINESS

When Walker Liquor closed, Class "F" License was never decreased by one. In addition, when the Olive Garden changed their License from a Class "D" to a Class "I", Class "D" was never decreased.

CONSIDERATION OF ORDINANCE AMENDING THE LIQUOR ORDINANCE

April 1, 2002

For housekeeping purposes, the Village Attorney has prepared an ordinance amending Chapter 111, entitled "Alcoholic Beverages" of the Code of Ordinances by decreasing the Class "D" of Liquor Licenses by two, (which is alcoholic liquor for consumption on premises) and to decrease the Class "F" of Liquor Licenses by one, (which is packaged sales).

Trustee Ashmore moved that the Board approve the Ordinance Amending Chapter 111, entitled "Alcoholic Beverages" of the Code of Ordinances of the Village of Matteson, Cook County, Illinois, Relative to the Number of Alcoholic Liquor Licenses to be Issued. Seconded by Trustee Green.

4) The Village of Matteson Fire Department has requested a Special Use Permit to allow the operation of a Governmental Service Facility, Fire Station #1, at 3445 West 211<sup>th</sup> Street and 21117 Dettmering Drive located in both the C-4 and R-3 zoning districts. The Village of Matteson Fire Department wishes to use the building for both the fire station and the offices for Southcom. (See Site Plan labeled AC1).

Public Notice for the Special Use Permit was published in the Star Newspaper on March 3, 2002. Notices were also sent to the adjacent residents as a courtesy.

The Matteson Fire Department is requesting the approval of the Special Use Permit for the following reasons:

- The project includes the relocation of Fire Station #1 from the heart of Old Matteson to the above-mentioned site.
- The relocation of the station will provide for better response times, meet space requirements for the growing department and provide a building for Southcom.
- The proposed Fire Station has been designed to meet the current and future needs of the Village of Matteson.
- The proposed property was chosen as it is near a major intersection with a traffic light, it fringes the residential district and it is not near the school zone.

On March 21, 2002, the Plan Commission reviewed the factors listed in the Zoning Ordinance regarding the approval of the Special Use Permit and found that it does meet the listed factors. After a review and discussion regarding this request, the

CONSIDERATION OF A SPECIAL USE PERMIT TO ALLOW A GOVERNMENTAL SERVICE FACILITY, FIRE STATION #1, TO OPERATE AT 3445 WEST 211<sup>TH</sup> STREET AND 21117 DETTMERING DRIVE.

BOARD OF TRUSTEES

April 1, 2002

04-264-02

Plan Commission recommended approval of the request for a Special Use Permit with no conditions.

Trustee Johnson moved that the Board of Trustees direct the Village Attorney to prepare an Ordinance to approve a Special Use Permit for 3445 West 211<sup>th</sup> Street and 21117 Dettmering Drive to allow a Governmental Service Facility, Fire Station #1 as a Special Use in both the C-4 and R-3 Zoning Districts. Seconded by Trustee Brown.

5) The applicant, Southcom, has requested a Special Use Permit in order to construct and utilize a 100-foot antenna tower to be located on the northeast portion of the property at 3445 West 211<sup>th</sup> Street, in the C-4 Zoning District. (See the Site Plan labeled AC1 for site location and Exhibit 5.1 for elevations).

Public Notice for the Special Use Permit was published in the Star Newspaper on March 3, 2002. Notices were also sent to the adjacent residents as a courtesy.

The base of the monopole antenna would be buffered using a masonry wall, which is 8 feet 4 inches in height. The masonry used for this wall will match the proposed fire station building. Since this monopole antenna is 100 feet in height, it will be visible, however it will be less obtrusive because it is a monopole. This is significantly different from the existing tripod pole at the Police Station on Cicero Avenue.

CONSIDERATION OF A  
SPECIAL USE PERMIT TO  
ALLOW A 100-FOOT  
ANTENNA TOWER TO BE  
ERECTED AT 3445 WEST  
211<sup>TH</sup> STREET (FIRE  
STATION #1)

Southcom requires a 100-foot antenna at the site of the new station for several reasons:

- To accommodate the member agencies Southcom must have sufficient radio as well as data radio coverage for all public safety agencies used for 9-1-1 dispatches. Radio coverage is licensed through the FCC, which dictates the height of the antenna and the power rating at that height. The FCC rated Southcom's licenses at 100 feet for adequate coverage for both police and fire radios and mobile data solutions.
- If the new monopole was not installed and utilized, Southcom would continue to utilize the tower at 20500 Cicero Avenue (the Police Station) and the tower at the present Fire Station #1, as well as a radio tower located in Richton Park. If this occurred Southcom would have to run dedicated telephone lines between the new facility at US 30 and Olympian Way, and each tower location for each radio

April 1, 2002

frequency used or monitored. Currently there are ten frequencies utilized, which would create a high operating cost each month. Additionally, public safety radios would be dependent on the telephone line integrity. A telephone line running from the new Southcom to a remote tower that is cut, through trenching or digging, would take the radios out of service. However, in erecting a new monopole the existing towers would not be removed. The tower at the Police Station is used for cellular co-locations and would not be removed due to lease agreements. The tower at the current Fire Station #1 would not be removed as it is now the property of the School District and the tower in Richton Park would not be removed, as it is not in our jurisdiction.

- A monopole has been engineered for the location to be as unobtrusive to the location as possible. The monopole antenna is like a large telephone pole and approximately twice the diameter. Cabling would be run down the hollow shaft of the antenna then underground and into the building.

On March 21, 2002, the Plan Commission reviewed the factors listed in the Zoning Ordinance regarding the approval of the Special Use Permit and found that it does meet the listed factors. After a review and discussion regarding this request, the Plan Commission recommended approval of the request for a Special Use Permit with no conditions.

Trustee Johnson moved that the Board direct the Village Attorney to prepare an Ordinance to approve a Special Use Permit for 3445 West 211<sup>th</sup> Street to allow a 100-foot antenna tower as a Special Use in the C-4 Zoning District. Seconded by Trustee Brown.

6) This is a 2.18-acre development that will include the existing Magic Touch Car Wash and a Jiffy Lube oil change facility. The plat is a re-subdivision of Lot 1, Lot 2 and Detention Lot 3 of the Corporate Lakes Unit Two Subdivision and Lot 1 in Corporate Lakes Unit Three. (See Final Plat) The purpose of this plat is to create a larger lot for Magic Touch Car Wash and to consolidate the remainder of the property into one large developable lot, since the minimum lot size in the MXD zoning district is 1.5 acres.

The Plan Commission reviewed the Final Plat on October 4, 2001 and recommended approval by the Board of Trustees contingent on approved Final Engineering. This Final Plat was not forwarded to the Board of Trustees at that

CONSIDERATION OF A

BOARD OF TRUSTEES

April 1, 2002

04-266-02

time, as the Final Engineering had not been approved.

On Monday, March 18, 2002, the Engineering Plans were approved and at the March 21, 2002 Plan Commission meeting Staff asked that the Plan Commission approve the revised Final Plat for a second time. The Plan Commission moved as requested by Staff.

FINAL PLAT FOR CORPORATE LAKES UNIT SEVEN LOCATED ON CICERO AVENUE, BETWEEN 207<sup>TH</sup> AND 205<sup>TH</sup> STREETS.

Trustee Brown moved that the Board approve a Final Plat for Corporate Lakes Unit Seven, being a Re-subdivision of Lot 1, Lot 2 and Detention Lot 3 of Corporate Lakes Unit Two Subdivision and Lot 1 of Corporate Lakes Unit Three. Seconded by Trustee Johnson.

7) On May 7, 2001 the Board of Trustees approved an Ordinance granting a Special Use Permit to allow Christian Life Fellowship to construct and operate a church and church buildings within the R-2 zoning district on vacant real estate located west of I-57, south of Drake Lane, east of Notre Dame Drive and north of US 30.

Section 159.60 (E) (1-3) of the Matteson Zoning Ordinance outlines the requirements for Special Use Permits and states that if a building permit is not obtained and construction work has not commenced within one year of the Special Use Permit approval that the permit is then null and void. It also states that the Board of Trustees has the right to extend the permitted one-year period by one year twice if necessary. Attached is a letter from Reverend Greg Peterson of Christian Life Fellowship Church requesting the one-year extension.

CONSIDERATIONS OF REQUEST TO EXTEND THE SPECIAL USE PERMIT FOR CHRISTIAN LIFE FELLOWSHIP FOR ONE ADDITIONAL YEAR.

Trustee Brown moved that the Board approve a request to extend the Special Use Permit by one year to allow Christian Life Fellowship Church to construct and operate a church and church buildings within the R-2 zoning district at the location listed above. Seconded by Trustee Johnson.

8) Oxford Development, Inc. is requesting approval of two Subdivision

April 1, 2002

Monument Signs that identify the Butterfield Place Subdivision. The signs will read "Butterfield Place of Matteson" with the butterfly symbol and measure approximately 32 square feet. The structural supports will be two stone pillars, one on either side of the sign with the actual sign face being wood. These signs are to be placed at the entrances of the subdivision, off Cicero Avenue on Morning Glory and 207<sup>th</sup> Street, outside of the vision triangle and in the previously dedicated landscape easement. The signs will be surrounded by an array of planting materials. Exhibit 5.1 is a color rendering of the proposed Subdivision Monument sign and the proposed plantings. Exhibit 5.2 shows the proposed sign and its dimensions and materials. Exhibit 5.3 shows the location of the signs within the landscaped easement along Cicero Avenue.

CONSIDERATION OF  
SUBDIVISION  
MONUMENT SIGNS FOR  
BUTTERFIELD PLACE  
SUBDIVISION

The Zoning Ordinance states that such signs shall be located at points where the subdivision streets intersect with arterial streets and be maintained in an orderly manner. Signs not properly maintained may be removed by order of the Board of Trustees. Exhibit 5.4 is a letter from Oxford Development, Inc. stating that the Homeowners Association will maintain the sign and the easement for both Units I and II.

Subdivision Monument signs require specific approval by the Board of Trustees upon a recommendation from the Plan Commission. The Plan Commission recommended approval on March 7, 2002. The Board of Trustees should consider the size of the proposed monument sign, any colors or illumination, traffic safety, public safety, impact on adjacent properties and general compliance with the code.

Trustee Brown moved that the Board accept the recommendation from the Plan Commission to approve Subdivision Monument Signs for Butterfield Place Subdivision. Seconded by Trustee Johnson.

Trustee Ashmore noted that the "Welcome" signs on the corner of Ridgeland and Vollmer, and Cicero and Vollmer have the lower case "p" in the word President.

Trustee Motton attended the Woodgate School 'Read with Parents Night'. He would like space allowed in the Matteson Avenue for a column that the Trustees, as well as other departments, could "speak" to the Village residents and explain some of their Village activities.

April 1, 2002

Administrator Mekarski reminded the Board that the Ehlers workshop would be held on Thursday, April 4, 2002 at the Village Hall. He recognized the Finance, Public Works and IT Department, who produced the brochure regarding the water rates, which was sent to all residents with their last water bill. All are invited to attend the Awards Luncheon sponsored by the Chicago Southland Chamber of Commerce at the Oak Lawn Hilton on Wednesday, April 3, 2002 from 11:30 a.m. to 1:30 p.m. to honor Hildy Kingma for her achievement.

OTHER BUSINESS

Community Development Director, Hildy Kingma reminded everyone of the meeting at 7:00 p.m. on Tuesday, April 2, 2002 at the Village Hall featuring the Manheim Construction Groups. The Shaw Company and the Pepper Construction Company will be there to explain their upcoming construction projects and the effects they will have on the surrounding communities and roadways.

Acting Police Chief Park commented he concurred with the Board's choice of the PAR Group, and stated he looks forward to the competition.

President Stricker will be attending the SSMMA Transportation meeting on Tuesday, April 2, 2002. He also reminded everyone that the groundbreaking for Manheim is scheduled for Wednesday, May 1, 2002.

Trustee Motton moved that the Board adjourn the Regular Meeting of the Board of Trustees at 9:02 p.m. Seconded by Trustee Ashmore.
