**OPPORTUNITY FOR
PUBLIC COMMENT**

Mr. Isaac Heath, 6300 Michael Lane, requested a brief explanation of the quality of life fund. It was noted that the quality of life fund was created several years ago when the utility tax was instituted in order to set aside funds for brick and mortar type projects that would enhance the quality of life for the residents.

President Stricker thanked the staff for all their work in finalizing the budget document. He explained that the Village Budget is simply a calculated estimate as to what revenues will be received and what expenses will be incurred throughout the course of the year.

Trustee Johnson moved to adjourn the Public Hearing at 7:15 p.m. Seconded by Trustee Ashmore.
