APPLICATION FOR SPECIAL USE PERMIT

The Village of Matteson defines uses within each zoning district as permitted (by right) uses or special uses. A special use by nature of its size, traffic generation, or other safety concerns, infrequent occurrences, or other characteristics, may have an unusual impact on neighboring property, on public facilities, or on the overall development of the community. Though these uses may be desirable or necessary for the welfare of the community and are not inherently incompatible with the uses permitted in certain zoning districts, they may be incompatible if allowed at certain locations within such zoning districts or if allowed without conditions or restrictions.

**NOTE:** The submittal requirements are the minimum requirements for processing a Special Use Permit request, and that, from time to time, Staff, the Plan Commission or Village Board may require such other information that it deems necessary to determine if the proposed Special Use Permit addresses the established standards and meets the requirements of the zoning ordinance and/or subdivision regulations.

**Complete Application Submittals:** All documentation and plans required at the time of application need to be submitted together. Piecemeal submittals cannot be processed and will not be accepted.
