Would You Like To Teach A Class?

Have you got a new and fun or creative idea for a program? A special talent that you might like to share? We are always searching for “something new” to offer, so if you have an idea, please call the Recreation Office at 441-4500.

Non-Resident Fee Cooperative

The Village of Matteson has entered into agreements with neighboring communities to help reduce the cost of recreation programs. Residents of the following towns will be allowed to enroll in Matteson Recreational Services activities at the resident fee, unless otherwise noted. These cooperative communities are:

- Richton Park
- Park Forest
- Olympia Fields

This agreement will allow Matteson residents to enroll in activities offered by these communities at the lower resident rates. This is just one example of inter-governmental cooperation that the south suburbs are working towards.

If you have any questions or comments regarding this concept, please feel free to contact us at 441-4500.

Volunteers Needed

The Matteson Recreational Services Department utilizes volunteers for a variety of programs. Our youth baseball and basketball leagues have long benefited from those willing to volunteer their time as coaches. Volunteers not only help keep the cost of programs down, but through community involvement, help the public understand the workings of the Matteson Recreational Services Department.

Anyone wishing to volunteer their services for any program should contact the Recreation business office at 441-4500 or stop by the Matteson Community Center at 20642 Matteson Avenue.

Age Requirements

Participants should be within the age range stated in the individual program list. This is done for their safety and class continuity.

Employment Opportunities

The Matteson Recreational Services Department periodically has openings for persons to work part-time at a variety of positions; Program Instructors, Building Attendants, and Members Services Representatives. Position vacancies can be found on the web at www.villageofmatteson.org, or inquire at the Human Resource Department at 283-4949. Applications can be downloaded from the web, www.villageofmatteson.org. Applications are only accepted when positions are posted on the Village Website. Completed applications are to be mailed to or dropped off at the Village Hall location, or placed in the drop box located at the Village Hall east parking lot.

Oops!

Our Matteson Recreational Services Staff has made every effort to prepare this brochure as accurately as possible; however, errors can occur. Circumstances may require that adjustment be made to programs, fees, schedules, etc. The Matteson Recreational Services Department reserves the right to make any such adjustments. The Department apologizes for any inconvenience these errors or adjustments may cause.

2. If the electricity is not working and the class or activity is held during the evening.

If you are not sure whether the Oakwood Recreation Center is open, you may call us at 441-4500 or the Village Hall at 283-4900.

Broken Park Equipment

The Matteson Recreational Services Department requests that any broken play equipment, park benches, or vandalism to park facilities and athletic fields be reported by contacting the Recreational Services Department Office at 441-4500. The Matteson Recreational Services Department’s facilities are supported by your tax dollars. Your cooperation is appreciated to maintain the aesthetics of these parks and facilities.

We Love Our Parents But...

With your child’s best interest in mind, parents are invited to their child’s last class meeting. Our instructors have found that their quality of instruction had often been affected by parent and/or sibling distractions, interruptions and various other concerns during class time. We also feel it is most beneficial for children to have recreational time with their peers. Our instructors always welcome the opportunity to discuss a participant’s progress with parents at any time. Thank you for your cooperation.

The Old Plank Road Trail

The Old Plank Road Trail is a unique nature trail used by countless outdoor enthusiasts; walkers, hikers, bicyclists, in-line skaters, bird-watchers, and even cross country skiers in the winter. Developed and maintained by the Old Plank Road Trail Management Commission, the creation of this trail is a great example of intergovernmental cooperation providing outdoor recreational services to our communities.

The Commission consists of one voting representative from each of the following governing jurisdictions; villages of Park Forest, Matteson, Frankfort, Rich Township and the Forest Preserve District of Will County. Several access areas are available through the Village of Matteson, as well as many other areas along the 20 plus miles of paved trail that exist from Western Avenue in Park Forest, all the way west or Park Road in Joliet Township. Brochures and maps of the Old Plank Road Trail are available at the Matteson Community Center or call 441-4500.

Americans With Disabilities Act (ADA)

The Village of Matteson will comply with the Americans with Disabilities Act (ADA) which prohibits discrimination in the provision of programs, services or activities to individuals with disabilities. We invite any resident with a special need to contact the Matteson Village Hall or the Matteson Recreational Services Department, so that a smoother inclusion may occur. In addition to the programs listed within our brochure, our district also provides specialized services for people with disabilities through the South Suburban Special Recreation Association. Feel free to call SSSRA at 815-806-0384 or see the SSSRA information in this leisure guide. A copy of this publication is available in an alternative format upon request. Please contact us at 441-4500. If you have any questions about our Department’s policy regarding ADA, or believe you have been unfairly discriminated against in the provision of programs, services or activities of the Matteson Recreational Services Department, please contact us at 441-4500. A procedure is available to you for the prompt resolution of your complaint.
